

**AGREEMENT DATED
August 20, 2007**

**This agreement is between Town of Farmington
And Robert Underberg Building Inspector.**

Whereas, Robert Underberg is an employee of the Town of Farmington serving as Building Inspector.

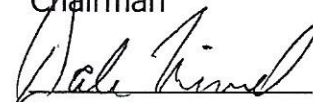

It is agreed as follows: The Town Board of the Town of Farmington does agree to pay wages in the amount of \$170.00 for each new residential 1 family Building Permit issued and \$295.00 for each 2 family (duplex) new residential Building Permit issued, with \$30.00 for each permit issued going into an expense account to pay out for additional schooling plus expenses to be determined annually December each year. The Town of Farmington also agrees to put aside \$50.00 in a mileage account from each new residential 1 family & 2 family Building Permits. Mileage expense report to be paid on a monthly basis. The Town of Farmington also agrees to pay Robert Underberg 90% of fees collected for Accessory Structures, Additions and Remodeling of which he agrees to inspect. The Town agrees to put \$25.00 of his 90% fee collected into a mileage account. Mileage expense report to be paid on a monthly basis.

Whereas, Robert Underberg will be employed by the Town of Farmington, Town of Dayton, Town of Waupaca and City of Weyauwega in the same capacity, the annual bill submitted for schooling and related expenses will be determined by the number of New Building Residential permits issued by each municipality.

This becomes effective upon Town Board approval.
